Re: Cellular Options

We propose to furnish and install the following:

Elevator cellular phone option

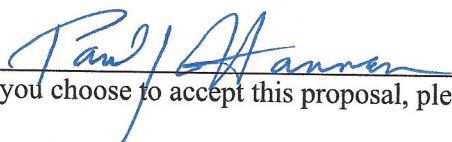

Install one cellular communicator - To switch from phoneline to cellular you would be looking at an upfront cost of \$425.00 for the cellular equipment and a monthly cost of \$33.50 per elevator. There is a one-time activation fee of \$65.00. Your existing monitoring company would stay the same and any cost for them to monitor would be determined through them.

Fire alarm communications options

Cellular Option - Install one Napco Starlink LTE cellular fire communicator

One-time charge of \$425.00 + an additional \$16.00 month for cellular service

X

Date 4-3-2020

If you choose to accept this proposal, please sign and mail, email or fax back to 302-224-8179.

If you have any questions, please contact me at 302-838-2852.

Thank you,

Mike Doto
